

Glass Policy

Wayamba Printpack (Pvt.) Ltd will operate all primary flexible packaging manufacturing systems to ensure that product is free of glass particles.

We will achieve by this,

- ✚ No glass bottles use in the production area.
- ✚ All electric bulbs in the manufacturing, packing and warehousing area will be covered.
- ✚ All glass panels in the manufacturing, packing and warehousing areas where there is a potential contamination risk will be made shatter proof.
- ✚ All sight glasses of vessels and panels will be made shatter proof.
